4 Matters Arising

These will be dealt with under the relevant items.

5 Parish Rooms

The wasp’s nest was still active, the painter will return at a later date and block the hole and finish the painting.

The Chairman will ask the cleaner to clean the cupboards in the kitchen and leave the cupboard doors open. If possible she will be asked if it could be done before the 19th December.

6 Village Green and Village.

There was nothing to report on the Village Green.

It was reported that footpath 139 was now impassable. Cllr will check whether or not it has now been cleared and if not the Environmental Officer J Stockdale will be contacted.

7 Highways

The drain at North Beck Lane had been checked with a camera and cleared out. This has hopefully solved the problem but the result will not be known until there is heavy rainfall.

Church Walk drains had also been cleared and a hole has been dug to check the drains. Highways are to be asked for a copy of the engineer's report and for their recommendations-a copy of this will also be sent to Cllr W Aaron.

The drainage problem area in the road in front of Hollies Farm has still not been dealt with and Highways are to be asked about this omission.

Photographs were sent to the Highways Department of the main road near the turning for Raithby Road where building works are being carried out. The road had not been cleaned by any of the contactors working on the development and it is very dangerous. Highways said that the police should be informed of the hazard. A Cllr will look into the matter.

A Cllr informed the Parish Council that it was now permissible to put the 30 MPH stickers on dustbins. He proposed to sell the stickers and asked if the Parish Council would help fund the purchase of the stickers. The Parish Council agreed to help with funding. The Cllr will also go door to door with a letter addressed to the Chief Constable complaining about vehicles speeding through the Village.

Parishioners can sign the letter if they wish and send them directly to the Chief Constable, leave them at Spilsby Police Station or deliver them to the Clerk.
