

County Councillor Report June

Fire safety this summer:

It's important to stay safe at home or when you are out and about this summer. With the better weather during the summer months, more people than ever will be enjoying the outdoors. This increases the risk of fires and Lincolnshire Fire and Rescue are urging people to enjoy the sunshine in a safe way.

Explore the wonders of the Wolds:

A diverse programme of events is being held in the Lincolnshire Wolds over the coming months to celebrate its 50th anniversary of becoming an Area of Natural Beauty (AONB). The next one is a geology and mining talk to discover what lies beneath the Wolds and how it was mined! Find details of this event and others taking place over the next few months [here](#).

Where do you find information on care services:

If you or a family member needs care or support services for the first time, it can be difficult to know where to find information about what's out there. The county council currently provides online directories to help people find the support they need, through lincolnshire.gov.uk and lincolnshire.connecttosupport.org.

National Volunteers' Week:

The first week in June marks National volunteers' week. Volunteers' Week is an annual celebration of the contribution that millions of people make across the UK through volunteering. As well as helping others, volunteering can help improve your wellbeing, gain valuable new skills and experiences, whilst boosting your confidence.
