

HUNDLEBY KNIT AND NATTER GROUP

From Wendy Waters-Wills

The Hundleby Knit and Natter Group was set up in January 2026, to bring residents of Hundleby who enjoy knitting, crocheting and nattering together.

My aim is to have a yearly project and this year's one is to make a Poppy display for the village green.

The group meet every last Thursday of the month

Friendships have now formed and they look forward to coming.
